

***SAFETY***

**LONG BEACH**  
ROOFING, INC

A COLUMBIA CONSTRUCTION  
SERVICE COMPANY

Construction falls account for the most serious injuries and deaths each year. Anyone who works on the roof area is at risk. This includes all contractors that may access your roof, including HVAC technicians, cable technicians and roofers. To help avoid serious injuries or death, permanent safety equipment that meets OSHA /CAL-OSHA requirements can be installed and ready for anyone to use.

## **Permanent Safety Equipment Installations**

- Roof Hatch Rails
- Guard Rails
- Access Ladders
- Roof Anchors
- Safety Posts
- Skylight Covers

## Roof Hatch Solutions

### Roof Hatch Rails™

- OSHA /CAL-OSHA compliant (Violations up to \$250K)
- Attach to any size hatch
- Self-closing/climb-assist gate
- No risk to existing roof warranty (does not penetrate flashing)
- Rigid 360° powder-coated steel rails

### HandsFree Power Hatch Lift™

- Hands-free open / close / lock
- Restrict unauthorized rooftop access
- Track approved users and access duration
- Solar-powered features integrate with your existing security system

**We also provide roof hatch installations.**

# ***Integrity, Relationships,***

**Fixed hatch railing systems provide a permanent means of fall protection for roof hatch openings.**

**Skylight screens prevent falls through skylights and roof openings.**

# ***Respect, Results, Safety***

**Permanent roof anchors provide a secure attachment point for your employees, engineers and all service professionals.**

**Access ladders provide a safer means of accessing the roof.**

*Integrity, Relationships,  
Respect, Results, Safety*
